WHEREAS, A mistake was made in the description of the lands included in the first section of said chapter 10, of such acts of the Eighteenth General Assembly, in the 7th line of such act, as it is printed in the session laws of such General Assembly, by using the words "southwest quarter" where the words "southeast quarter" in such line should have been used; therefore,

*Be it enacted by the General Assembly of the State of Iowa*

SECTION 1. That the word "west" shall be stricken out of such 7th line of such printed act, chapter 10, of such session laws, and the word "east" inserted in lieu thereof, for the purpose of making such description of such lands read thus, "southeast quarter," in such 7th line of section one, of such acts, as printed in the session laws of the Eighteenth General Assembly.

SEC. 2. This act being of immediate importance, shall take effect and be in force on and after its publication in the Iowa State Register, published at Des Moines, and the Reinback Times, a paper published at the town of Reinback, Grundy county, Iowa, without expense to the State.
